

## Table of Contents

<b>Chapter 1. The National Estuarine Research Reserve System</b>	<b>7</b>
<i>Kenneth B. Raposa</i>	
<b>Chapter 2. The Narragansett Bay National Estuarine Research Reserve</b>	<b>11</b>
<i>Kenneth B. Raposa</i>	
<b>Chapter 3. Human and Land-Use History of the NBNERR</b>	<b>15</b>
<i>Robin L. Weber and Joseph J. Bains</i>	
Overview	
Prehistory (prior to 1640)	
The Colonial Era (circa 1640 to 1775)	
The Revolutionary War and Its Aftermath (circa 1776 to 1874)	
From Farming Community to Summer Resort (circa 1875 to 1940)	
Mid-20th Century to the Present (after 1940)	
Land-Use Legacy	
<b>Chapter 4. Ecological Geography of the NBNERR</b>	<b>23</b>
<i>Kenneth B. Raposa</i>	
Geographic Setting	
Climate and Weather	
Geology	
Soils	
Land Use and Land Cover	
Wetlands	
Surficial Hydrology	
Shoreline	
<b>Chapter 5. NBNERR Flora and Vegetation Communities</b>	<b>37</b>
<i>Thomas E. Kutcher</i>	
Flora	
Vegetation Communities	
Appendix	
<b>Chapter 6. Terrestrial Fauna of the NBNERR</b>	<b>55</b>
<i>Kenneth B. Raposa</i>	
Invertebrates	
Reptiles and Amphibians	
Birds	
Mammals	
Appendix	
<b>Chapter 7. Ecological Geography of Narragansett Bay</b>	<b>77</b>
<i>Kenneth B. Raposa</i>	
Introduction	
Geography and Sediments	
Physical and Chemical Characteristics	

<b>Chapter 8. Estuarine Habitats of Narragansett Bay</b>	<b>89</b>
<i>Malia L. Schwartz</i>	
Introduction	
Open Water	
Salt Marshes	
Benthic Habitat	
Brackish Habitat	
Intertidal Zone	
Submerged Aquatic Vegetation	
Human-Modified Shorelines	
<b>Chapter 9. Plankton and Benthos</b>	<b>107</b>
<i>Kenneth B. Raposa and Christine R. Comeau</i>	
Phytoplankton	
Zooplankton	
Benthic Communities	
Long-term Trends in Plankton and Benthos	
Appendices	
<b>Chapter 10. Nekton</b>	<b>123</b>
<i>Kenneth B. Raposa</i>	
Introduction	
Open-water Nekton	
Shorezone and Intertidal Nekton	
Ichthyoplankton	
Summary	
Appendices	
<b>Chapter 11. Aquatic Birds, Marine Mammals, and Sea Turtles</b>	<b>139</b>
<i>Kenneth B. Raposa</i>	
Aquatic Birds	
Marine Mammals	
Sea Turtles	
<b>Chapter 12. Human Impacts on Narragansett Bay</b>	<b>147</b>
<i>Thomas E. Kutcher</i>	
Prehistoric Human Use	
Preindustrial Use	
Industrialization	
Population Growth and Sprawl	
Military Occupation	
Anthropogenic Impacts to Narragansett Bay	
Summary	
<b>Chapter 13. Research and Monitoring at the NBNERR</b>	<b>163</b>
<i>Kenneth B. Raposa</i>	
NERR Programs	
Monitoring	
Research	
Appendix	

Individual reserves are jointly managed through a federal-state partnership.
