Narragansett Bay Block Party!

The Narragansett Bay Research Reserve kicks off the summer season each year with a block party featuring new art exhibits, food, crafts, and games for the kids. In 2007, the Reserve partnered with Spinnakers Cafe of Jamestown to provide delicious home-made ice cream and invited local musicians to entertain with sea shanties and pirate songs.

For information on this year's "Bay Block Party" check out the website www.nbnerr.org or call the Reserve at 401-683-6780.

Join the fun!
